Dear parent/ carer

Important Information regarding bus services to school

I hope this letter finds you well. I am writing to update you on some important changes to our school's access to bus services.

Effective from Monday 30 September 2024, there will be additional buses on the 9S bus route to and from school. Please refer to the enclosed table for the updated times and routes.

Due to the additional services on the 9S there is no longer a need for pupils to catch a bus on the Kenilworth Road, either in the morning or in the evening. I must stress that it is dangerous to cross this road with a speed limit of 50 mph, and I kindly ask that you speak with your child to ensure they are now using the 9S service to and from school.

Furthermore, there will be additional capacity with an additional bus on the 60 route in the morning. Please see attached the timetable for this bus. This additional capacity will run until Friday 20 December 2024 when it will be reviewed by National Express and Transport for West Midlands.

I would like to take this opportunity to express my gratitude for your continued support with our school's transport arrangements. I am also pleased to congratulate our pupils on their respectful behaviour while travelling to and from school.

If you have any questions or concerns, please do not hesitate to contact the school office.

Best regards,

**Mrs Boyle
Headteacher**
